Geo. Buck, Jr., one of the Franklin's enterprising merchants, in an interview with your reporter, says that Franklin is booming, and that the town is more prosperous and the people more enthusiastic over its future than for years before.

It is rumored that Judge Brown will soon resign his position as County Judge and leave the county. We hope the ru-mor is untrue, but should it be a fact, people favor the appointment of John R Hart, to fill the vacancy.
